Infosys Springboard

SUNJANA MANASSVI

Aspiring Full-Stack Developer | CSE Undergrad | Tech Explorer

PROFILE

A highly motivated and tech-savvy 2nd-year B.E. Computer Science and Engineering student with a strong foundation in programming, web development, and emerging technologies. Proficient in Java, C, C++, HTML, CSS, JavaScript, and SQL, with hands-on experience building responsive websites and contributing to team-based projects in academic and hackathon settings. Demonstrated initiative and creativity through participation in multiple hackathons, including projects in healthcare app design and image-based password security innovation.

Career Objective

Aspiring Computer Science and Engineering student with a strong passion for coding, web development, and emerging technologies. Seeking opportunities to apply and expand technical skills in real-world projects and dynamic internship environments. Eager to contribute to innovative teams by leveraging knowledge in programming, problem-solving, and modern web technologies, while continuously learning and growing as a future software developer.
